CANDIDATES

Candidates will be evaluated on their professional merits and successful experience that demonstrates a good match for the district, with emphasis on the following, specified by the Board of Education. The Superintendent of our district should be an educational leader who:

- Acts with integrity, fairness and in an ethical manner.
- Collaborates with faculty and community members, responds to diverse community interests and needs, and mobilizes community resources.
- Advocates, nurtures and sustains a school culture and instructional program conducive to student learning and staff professional goals.
- Ensures the management of the organization, operation and resources for a safe, efficient and effective learning environment.
- Promotes the success of every student by facilitating the development, articulation, implementation and stewardship of a vision of learning that is shared by all stakeholders.
- Applies the legal requirements and understands labor relations.
- Has the ability to select, assign, and evaluate staff.

Previous successful teaching and administrative experience is required. Previous superintendent experience and residency in the district is preferred.
